

ORCHESTRA at CCS

Introducing a new orchestra at CCS!

I am excited to announce that we are launching a new string program at CCS in which students will have the opportunity to make music together with their peers in a weekly orchestra class.

Instructor - Janet Marquardt

I have been a private string instructor in the Pottstown area since 2006 and began teaching at Coventry Christian School in 2011. I have experience teaching students from 3 years old through adults, and I enjoy the challenge of finding different teaching methods to fit each student.

To Sign up:

Please contact Janet Marquardt at 484-363-1243 or janet.marquardt@musickidsprogram.com by **September 17**. There must be a **minimum of 10 students** to run the program.

Cost

Orchestra tuition is \$20 per month for nine months. If 15 or more students sign up, then the cost will be \$15 per month for nine months.
